Hello there!
Let me introduce myself. I am Anna and I decided to scanlate this manga for you, because I assume that the actual scanlation group dropped this project (if not I am sorry for taking away your work). I know how annoying it is to wait for the next chapter to appear, so i just wanted to be a help and scanlated the next chapter for you. It was a quite a job, since I did everything by myself. So if you want to help me (like cleaning the raws, etc..) just pm me! I would be really happy! :)
Also, this is my first time scanlating something, so I apologize if I made some mistakes.. like grammatical mistakes (I am from germany).
So now, enjoy reading!

P.S I'm going to submit the chapters weekly (if not, even earlier :)

柱狀漫畫。

跟來幫忙的助手們討論了「究竟要在柱狀漫畫裡寫些什麼呢？」後，他們給了我「要是能寫些關於漫畫的創作過程就太棒了耶」的提議。

所以我決定，這次就來寫些關於創作的過程吧！

↓

內容構想	2週
草稿	1週
上墨線網	
決定網點	6天

大概就是這樣的流程。

各位覺得如何呢？是否對漫畫的創作感到有興趣呢？不過，怎麼突然覺得晚是個可有可無的小橋池塘啊啊？是我想太多了嗎？

The voting ended up in a tie.
What?
No
And
What ... ?
Do you know why they didn't choose you?
No
Because you are too unknown
Indeed, you are in Love Pop...
... but apart from that you haven't had any PR
They rather chose Mito Yano, whose name is everywhere known, because they were hoping...
... that Mito's fans are running after her, right?

A tie between Mito and her ..?!
Then Higashi-pro would be better!
Why Fly?
Orika!
We take full responsibility for you, if we won't make you famous!
..between Mito Yano ..?!
We are much better! We can ensure you great success!
It would be better to find
an agency that makes you famous, so that you don't have to experience such a loss again
Because ...
We tell that every model
..and doesn't take responsibility, if you don't become famous, neither.
Fly doesn't ensure you a great future
Ha! That's really awesome.

If Fly doesn't convince you
You can switch any time.
There is nobody else but you, who can take responsibility for your future
...we are only being honest!
My job.
is only to convince you, that Fly offers you the most attractive
work environment
Let us know if you are up for it.
And I promise you to give my best.

Ah!
I haven't thought of it yet...
An agency ...?
Oh!
What's that?
LOVE POP
Riko!
Tell me...
Maybe I should ask Riko...
This?
This are the conditions of participation for the casting of the next main Love Pop model
Do you want to become the main model Riko?
Yeah. I don't want to stay a reader model forever.
And how about you? What do you want to do later on?

Erm..
My agency told me
Riko, how did you know about the casting?
I.. I don't know yet
Oh right! You still haven't one.
It is really hard to hear from Castings and stuff
without an agency
I think it wold be better if you sign up with an agency
She's right..
Maybe I really should

Oh!
Kana!
I can't do this all by myself
カシャ
Kana
And he's only in middle school!
He's so handsome and cool!
Kyaah!
Click
What?

Haruto!
Uwah! These poses are really hard
He looks so mature!
カシャ
Orika!
So...
What are you doing here?
※原住：
Kana!
This is the first time I've seen a shooting of you!
So cool!
走近
向前

Mito has one aswell, doesn't she?
Haruto, do you hove on agency ?
Ehm... It's nothing important but..
Yes ?
Yes
If you want to know something about agencies you should ask her
She can explain everything to you
.....
Orika!
I will ask her!
Thanks!
Okay!

Try your best!
Okay!
Orika!

Don't over-strain yourself!
.....?
Erm
Okay
?

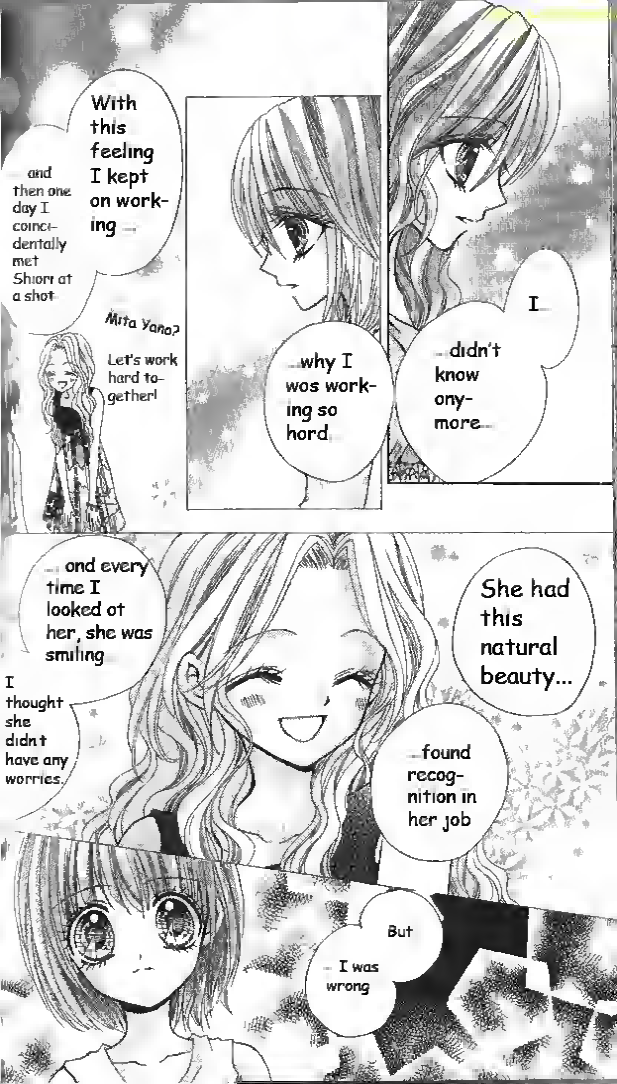
Ah, a poster of Mito Yano!
She is so gorgeous!
So true!
Since she is the new HEAL model, she is going to be a real topmodel!
"Because you are too unknow."
That's right..
But that I would be in such a disadvantage...
HEAL

Mito!
Orika!
I haven't noticed it so far...
The new HEAL poster is really great!
Next year I will try it again!
Mito?
Orika
The result of the voting
doesn't matter!

Hello there, again (haha)
sorry for interluptingyou, but unfortunately the next two pages went missing. I really don't know why. When I downloaded the raw they were just missing. So I will just tell you what they are about.

Oruka says "You are beautiful on the poster. No wonder they picked you!"
Mito says "You are just like your mother, thank you!"
Oruka -shocked- busted! D "Did you say my mother?!"
Mito says "Shuka was a real inspiration for me, wanna hear the story?" "Well, back then I was an actor. I was playing in several commercials and movies. But due to that, I had many problems in school. My agency was deluging me with so many jobs, that I barely had time for myself."

Well then, enjoy reading :)



I didn't know ony-more
...why I wos work-ing so hord
With this feeling I kept on work-ing
...and then one day I coincl-dentally met Shiori at a shot
Mita Yana?
Let's work hard to-gether!
She had this natural beauty...
...found recog-nition in her job
But I was wrong
...ond every time I looked at her, she was smiling
I thought she didn't have any worries.

Erm
Can I talk to her for a little moment?
Ah!
Of
Of course!
"Mitoi"
"You need to me happier"
"If you are not happy, we've got a problem!"
"I understand."
Idiot
She's spoke to me!
You know
I watched your last commercial
And I thought what a
cute and happy girl!
It was really hard to calm my daughter down!
..Are you not feeling well lately?

Well..
At the beginning I really loved this job
But..
...due to my uncommonly jobs...
everybody started to tattle about me.
I am working so much
...that I think that I am losing myself
You might think I am weird...
hence I suffer because of that, but
Look at me

With people, who don't show a single worry, must be something wrong
There's nothing wrong with taking oneself's life seriously...
Whatever people will be saying about you
...and how many setbacks you have to experience
...You were born with this body...
...and you only live once.

... you need to oppose them!
But when these worries are coming...
For me
the things I have lost also seem to be more important than the things I have gained
Let's try harder!
Shiori... the shooting is beginning!
I'm coming!
I guess the more famous you are the worse will be the pressure.
It must be hard... Not to break under the strain.
Have you read the lies in the weekly?
They were so cruel.
They say Shiori is only sleeping 2 hours on average!

Only because she is always smiling...
...it doesn't mean that she is happy...
Despite all the setbacks and the mean things people are saying about her...
...she keeps on smiling
She only can do it, because she is strong.

MANGAX3S

After I met Shiori,
I decided to leave the agency, which treated me like a product...
I switched to a new agency.
... Because I was able to set new goals ....
... I wanted to ...
... proceed the path of modelling.

She is really cute!!
OMG! You're right!
Ah!
Look! That's Orika!
What do you think she is going to do in the future?
Yeah
People see her only as Love Pop reader model
But she hasn't been chosen by HEAL
No, thank you
because of the HEAL-matter back!
And you can also pay all the people who were tattling about you
We are a great agency! You can show off with us!
Come with us!
I'm Tani from Higashi Pros
Hey, Orika! Have you made a decision yet?

I've already made up my mind
Huh?!
Orika?!
I don't think that what you said was smart.
Why are you so mad?
Manager Kitahara
I want Orika at all cost in this agency!!
Honestly, the offers of the other agencies
were obviously more charming for a girl at her age!!
Nope.
This girl chooses rather challenges than safety
Why are you so sure about that?

Shiori Hagiwara was the same.
Unfortunately, I can't change the things that happend ...
But how I handle with it ...
... and which meaning it has to me ...
... is my decision after all!
I don't need to hurt someone who has hurt me
What I want is ....

The strenth, to come through set-backs!
Hello!
Erm.
I am here to intro-duce myself!
Yay!
Wel-come !

跟⑰有關。

第7篇柱狀漫畫的內容，感覺好像沒什麼太大的幫助。我看我還是針對大家對創作時的疑問來做回答吧！

遇到低潮的時候會怎麼辦呢？

低潮啊…我發現我最近都會利用做家事一題以轉換自己的心情唷。因為做完家事的時候，內心就會有一種很滿足的感覺呢！就算畫圖用紙上是一片空白。

該不會一直個Q&A會元也被不上什麼用場吧…。

B ...
But I ....
... want to try hard!
.....
You don't have to.
Huh?
You don't have to struggle
Day by day

Haruto
?
"Mito!"
"If you want to retire...
Just do so."
